

## Upload Assignment #2

Subject: It seems so effortless!

Have you ever noticed that people who do things well make it seem so effortless?

Does your cleaning business seem to never make any money? You are spinning your wheels, working harder & harder, while the higher cost companies get all the business, make all the money, and make it look so easy.

Well now is your turn. You can have the “secrets” that the top companies know that set them apart evrytime.

You will learn:

- The “seven” delivery secrets that set them apart from the rest.
- The tools and equipment that cut labor by 35% and pay for themselves within months.
- How to hire the right staff to “wow” your clients and beg you to do more work and get you all the labor you need.
- Five services that will make you more money than your whole janitorial program each month.
- How to develop a following of client that keep giving you more work without getting other pricing.

Don't let another frustrating week go by. Learn the experience and secrets to have one of the most prosperous companies in your area. Your competitors won't know what hit them.
