A fun way to get leads to your site and get more customers is the use of postcards. You can surprise your customers by sending them postcards, which are eye-catching and let your customers join you after seeing them. Do you want to know a way to create postcards? Here is how:

CREATING POST CARDS:

1

Download the Adobe Spark Post on your PC and make an account on it for free.

☐ ☐

2

Now, click on Pick a Size option mentioned there and choose whatever size and shape you want for your postcards. Prefer using "Portrait" or "Landscape."

☐ ☐

3

Now it is time to decide on a theme for your postcard. Browse the inspiration gallery of the app and get access to free postcard templates.

☐ ☐

4

Now choose the colour, theme and pattern for your postcard from there.

☐ ☐

5

After all this is done, you have to decide the image for your postcard. Select any link mentioned on the front page of the app and choose a photo you like.

☐ ☐

6

Now you have to make wise use of words for your postcards. Use typography for this purpose and write the desired text.

7

And, finally, download this postcard and share it with your friends and your social media sites. You can also email it to your customers.

☐ ☐

NOW GET LEADS FOR YOUR POST CARDS:

8

To do so; first you have to include the postcard in the mail that you're sending to your customers.

☐ ☐

9

Now include upcoming events and new blog posts in your postcard to inform your audience about these.

☐ ☐

10

Add a link that will direct them to an online discount coupon, which will lead to further promotion and engagement with your company's website.

☐ ☐

START A CAMPAIGN INVOLVING YOUR POST CARD:

11

First, pre-qualify your lead by sending small discounts via your email to your customers. This will give you an idea about the future leads that you'll get.

☐ ☐

12

Now start a paid campaign involving your postcard after estimating the leads that you'll be getting.

☐ ☐

DESIGN YOUR POST CARD:

13

The first thing while generating your postcard to keep in mind is to create a perfect opening. Include the person's name at the beginning of the postcard to attract his attention.

☐ ☐

14

Now, create a powerful first sentence of your postcard that will grab your customer's attention.

☐ ☐

15

In the next step, use a real postcard stamp on your postcard. This will indicate that a real person has sent the postcard.

☐ ☐

MORE CHARACTERISTICS TO ADD:

16

Deliver your postcard as already open and ready to read.

☐ ☐

17

Keep your message easy and short.

☐ ☐

18

Make, it looks like a personal message. This is the only way you'll get leads by postcards.
